

## After The Titanic

EDEN

In your eyes, I can see the storm coming  
And in your eyes, I can see myself  
But oh don't fail me now, this love I found  
Don't fall away

And in your eyes, I can see a storm coming  
In your eyes, I can see myself  
But oh don't fail me now, this love I found  
Don't fall away
