

# Balling

EDEN

Baby, yeah  
Baby, baby

19 (baby!)  
Inverted baby  
Bright blue sky scenes  
Obscura in my bedroom  
Lying on the floor we had sometimes  
Bad ideas  
Soft-spoken music to my ears (Yeah)  
Spending my money  
I wish I had spent time  
(I'm not quite sure what went wrong)

But no our legacy sheets  
Can bring me sweet dreams  
How strange is it when ours is lost in them (Baby)  
I said whenever you called I'd be there (Baby)  
I hope you never take advice from your friends (Never, never)  
Crammed into the back seat of my first car  
That I drove too fast  
Running from the thought I  
Know you don't get it when I say I been balling

It's all bless

You couldn't stop crying I couldn't cry at all  
How can I dance myself clean?  
These rooms just dirty my soles (Easy)  
Slowly my friends turned to places  
I can't be everywhere at once  
I watched some friends turn to places  
Now it's just a one-way convo

And 'til you're not afraid of going  
I'll be right here on your arm  
And when it's not my choice in staying  
I'll go

I know our legacy sheets  
Can't bring me sweet dreams  
How strange is it when ours is lost in them  
I said whenever you called I'd be there  
I hope you never take advice from your friends (Never, never)  
Crammed into the back seat of my first car  
That I drove too fast  
Running from the thought I  
Know you don't get it when I tell you I'm balling

Balling

We were just kids  
You couldn't stop crying I couldn't cry at all  
How can I dance myself clean?  
These rooms just dirty my soles  
Slowly my friends turned to places  
And I can't be everywhere at once

I watched my friends turn to places  
Now it's just a one-way convo (Baby)

Ooh, ooh  
Rest easy
