

Billie Jean

EDEN

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
She said I am the one

She told me her name was Billie Jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Go on dance on the floor in the round

And the people always told me be careful what you do
And don't you go around breaking young girls' hearts
My mother always told me be careful who you love
And be careful what you do because the lie becomes the truth

And Billie Jean is not my lover
She's just a girl who thinks that I am the one
But the kid is not my son
But the kid is not my son

She says I am the one

For forty days and for forty nights
Law was on her side
But who can stand when she's in demand
Her schemes and plans
So take my strong advice, don't think twice

She told me baby we'd danced 'til three
Then she looked at me
She showed me a photo of my baby crying
His eyes looked like mine
Go on dance on the floor in the round

And people always told me be careful what you do
And don't go around breaking young girls' hearts
And she came and stood right by me
And she smelt the sweet perfume
And this happened much too soon
She brought me to her room

And Billie Jean is not my lover
She's just a girl who thinks that I am the one
But the kid is not my son
But the kid is not my son

She says that I am the one
