

# Crush

EDEN

And honestly I've been thinking, a bit too much, maybe not enough.

And honestly I've been drinking, maybe not enough, I still feel too much.

I feel this crush.

I believe I'm falling for your crush, but it's not enough

I believe someday I'll change this life, but not tonight.

I believe I'm falling for your crush, but it's not enough  
Yeah

I believe someday I'll change this life, but not tonight.
