

I don't follows fighting for a lost cause
Feel like even drifting, we're just off course

Or is it no good?
What are we if dying for?
What are we lying for, oh, if it's no good?
Good
What would you call it?
Yeah

Mind if I don't end this dying (I don't follows fighting for a
lost cause)
If it's worth it you would know (Feel like even drifting, we're
just off course)

Oh, it stops, all the faking, it's all fire
No flame can absolve sin
But it's no thing
I'll get sullen, when I get sober
Despite my best, you keep calling
And you got something I don't want to miss out on
I don't leave you over your stead

Would you call that love?
Love, love love
You call that love?
Love, love love
Would you call that love?
Love, love love
All it love
Love, love love
