

Hey Ya

EDEN

My baby don't mess around
Because she loves me so
And this I know for sure

But does she really wanna
But can't stand to see me
Walk out the door

Don't try to fight the feeling
Cause the thought alone
Is killing me right now

Thank god for mom and dad
For sticking to together
Cause we don't know how

Hey ya [x4]

You think you got it
Ohhh you think you got it
But got it just don't get it
When there's nothing at all...

We get together
Oh we get together
But seperate's always better
When's there's feelings involved...

If what they say is "nothing is forever"
Then what makes then what makes
Then what makes love the exception

So why-o why-o
Why-o why-o why-o
Are we so in denial
When we know we're not happy here, hey

Hey ya [x8]

I'm too cool...
I'm too cool for this...
