

I think I lost myself out  
Somewhere in between  
Finding out who I am  
Confusing that with what I dream  
And it feels like everyone's done waiting  
So what am I supposed to do?  
When I can feel these bridges breaking  
And I'm drifting further from you, from you  
But oh, let it go  
'Cause I found God  
And he said, "Plans change a lot"  
And, so if I can help my luck  
Then things won't go the way they're going  
And I won't lose hope, and I won't lose courage  
And won't fade to gold  
Or worse, to shadow  
'Cause if everyone is gone, I don't wanna be here  
I don't wanna be left alone
