

I want to go  
Yeah

I was looking for your face in the prequels  
That keep running through my mind when it's idle  
I know you never had the time for my sci-fis  
But you loved shape-shifting

And I know we were high but I meant it  
I'm not tryna fuck about, if it looks it  
I told her, "Now is not the time." I'm just dancing  
And ghost erasing

Oh, but I remember  
That sunset like it was last night  
Fireworks blowing holes in the night sky  
She told me, "Baby, now or never."  
I didn't know what it was for a long time  
But it was you for so long on my mind  
I know we're breaking

I just wanna hear your voice in the morning  
'Cause I been up waiting for something that's hopeless  
I don't really wanna break your heart when it's open  
Like finding out love's not a feeling  
It's a choice, oh-whoa-oh  
I miss home

You want me to tell you  
I've always hated dancing  
But I would dance with you  
Oh, and I can see right through you babe  
Know you'd love me if I told you  
That I'm in love with you

Oh, but I remember  
That sunset like it was last night  
Fireworks blowing holes in the night sky  
She told me, "Baby, now or never."  
I didn't know what it was for a long time  
But it was you for so long on my mind  
I know we're breaking

I just wanna hear your voice in the morning  
'Cause I been up waiting for something that's hopeless  
I don't really wanna break your heart when it's open  
Like finding out love's not a feeling  
It's a choice, oh-whoa-oh

You want me to tell you (Ooh, ooh)  
I've always hated dancing (Ooh)  
But I would dance with you (Ooh, ooh)  
Oh, and I can see right through you, babe  
You would love me if I told you (Oh, ooh)  
That I'm in love with you
