the challenge to raise made our hearts all ablaze cleared our daring ideas moved our will

the prime mover in us all will force us that we recall believing in powers of dreams

astral skies follow your ardent eyes and leave your earthborn presence to your paradise

skyward i stare and i am aware your dreams will lead you to aphelion loud as a whisper leaving infinity behind the journey will start in your mind

the ghost of a chance this alluring romance the refulgance of light near at hand

weigh your memories in gold and hidden powers will unfold igniting the fire inside

astral skies follow your ardent eyes and leave your earthborn presence to your paradise

skyward i stare and i am aware your dreams will lead you to aphelion loud as a whisper leaving infinity behind the journey will start in your mind

skyward rising
so revel in brightest remembrance and see
skyward we go i can see
a fragrant surprise
a sight for sore eyes
hold on to your dreams and rise

skyward i stare...

skyward i stare and i am aware your dreams will lead you to aphelion loud as a whisper leaving infinity behind the journey will start in your mind
