Fly Away

Edgar Winter

If I tell you will you promise not to tell
I've got a secret and I've kept it well
You may not believe it, but I swear it's not a lie
I close my eyes and then I start to fly

Fly away, fly away
Close my eyes and I can fly away (believe me)
Fly away, fly away
I close my eyes and I can fly away

There's a magic land that I fly to when I'm down
With thoughts of pure and love is all around
I'll take you with me if you really wanna try
Just close your eyes and think that you can fly (come on and)

Fly away, fly away
Close your eyes and you can fly away (baby, I know you can)
Fly away (if you wanna) fly away
Close your eyes and you can fly away

Fly away (you've got to fly away) fly away (come one now)
Close your eyes (close your eyes) and you can fly away (oh, you 've got to fly away)
Na na na na na na na na na
Na na na na na na na na na

Na na na (come on now) na na na na na na (oh)
Na na na na na na na na na (oh, if you children)
Fly away (oh baby) fly away (you've got to fly away)
Close your eyes and you can fly away
