

Keep on Burnin'

Edgar Winter

Now, you're sittin' on top of the world
But it keeps on turnin'
If you wanna set the world on fire
You gotta keep on burnin'

So, you're sittin' at the head of your class
But look at what you're learnin'
Maybe now a little self-respect
Is what you'd best be earnin'

What you are will never stay the same
Without reconfirmin'
If you're lookin' for a claim to fame
You gotta keep on burnin'

Keep on
Keep on
Keep on
Keep on
Keep on
Keep on
Keep on burnin'
