

# Shuffle-Low

Edgar Winter

Let me tell you what it's all about  
You got somethin' make me jump and shout  
I've been watchin' how you move your thing  
Gets me off so I just gotta sing

Shuffle low  
Let me work your show  
Shuffle low  
Show me everything you know  
Shuffle low  
Get down watch me go  
Shuffle low  
Gettin' it way down low

Yeah, yeah, yeah, yeah

You been rollin' with them big brown eyes  
Like you're waitin' for some big surprise  
You been lookin' like you'd eat me up  
I got somethin' for your lovin' cup

Shuffle low  
Let me work your show  
Shuffle low  
Show me everything you know  
Shuffle low  
Get down watch me go  
Shuffle low  
Gettin' it way down low, low, low

Shuffle low, yeah, yeah  
Shuffle low, na na  
Shuffle low, oh oh

Shuffle low, keep on movin'  
Shuffle low, keep on groovin'  
Shuffle low, keep on walkin'  
Shuffle low, keep on talkin'  
Shuffle low, way down low  
Shuffle low, watch me go

Shuffle low, keep on walkin'  
Shuffle low, keep on talkin'  
Shuffle low, keep on movin'  
Shuffle low, keep on groovin'
