

We All Had a Real Good Time

Edgar Winter

I don't remember how I got this way
I don't recall what happened yesterday
I don't remember what I did last night
All I know is I was feeling alright

But we all had a real goo time
Somebody told me I was out of my mind
But we all had a real good time
I couldn't stop myself from feeling fine

Got so loud I couldn't hear the phone
Even if you tried to call no-one was home
The girl was rocking aas I crawled
Across the floor
But I couldn't make it, I couldn't
Find the door

Here we are now the time is right
Feeling good like I did last night
I could tell that you're feeling good too
Come on with me, I wanna party with you
