

## Split Second (Undertow)

Edge of Dawn

The mind's a fragile thing  
A blade slid through her skin  
Is this worth fighting for  
A burning shelter  
Watch it all  
A cozy prison  
Like a house built on quick sand  
I'm tired of fighting friend and foe, my love

Shards of glass ripping flesh  
Reflecting the light  
Reflecting the light  
In a million colors  
In a million colors

Beautiful you never... projectiles  
Slow illusion movements  
Slow illusion movements

Embraced by the undertow  
The colors disappear  
Becoming shadows  
Soothing darkness  
Raging silence  
Look out  
Look out

A mind's a fragile thing  
A blade slid through her skin  
Somethings can never be undone or unforgiven  
The world went silent and  
The ground became the sky  
Sinking deep  
Drowning in  
.... waste

Embraced by the undertow  
The colors disappear  
Becoming shadows  
Soothing darkness  
Raging silence

Embraced by the undertow  
The colors disappear  
Becoming shadows  
Soothing darkness  
Raging silence

Embraced by the undertow  
The colors disappear  
Becoming shadows  
Soothing darkness  
Raging silence

Look out  
Look out
