

Valid World

Edge of Dawn

I am Vesuvius
I persevere
I hold my breath
Save you from the fire

Compassionate monster
Destroy yourself
Choke on the hatred
You spare the world

I grow strong, I grow tall
I'm a living wall
I'm not frail, I can't fail
In my valid world

I am strong, I am tall
And I'm sick of it all
And I'm tired
So tired

I hold my breath
Save you from my fire

I am Temblor
I persevere
I hold my breath
Spare you my rage

Not a word is true
This place not of nature
It's all fantasy
Empty poetry
