

Don't Give Up On Me

Edge Of Paradise

I wanna be in your chaos
Erase the line of reality and bliss
I learned now not to fear
The heavy hands of fate
Don't say it's not meant to be
Cause it's up to you and me
Even forever can't take away
The light from the furthest star

Don't give up on me
Don't give up on me
And when you're worlds apart
And when you're in the dark
I'll never I'll never
I won't give up on you

I don't wanna settle for what could have been
Don't wanna leave no stone unturned
You call me reckless cause I want it all
I don't fear fear I let it burn
The promises you made are not enough
The secrets you sold I'll never know
I don't even know you but I know your soul
The love we had we can't let go

Don't give up on me
Don't give up on me
And when you're worlds apart
And when you're in the dark
I'll never I'll never
I won't give up

I don't know you
I don't know you
I don't know you
I don't know you
But I know your soul

Don't, don't give up on me
And when you're worlds apart
And when you're in the dark
I'll never I'll never won't give up
I won't give up on you
