

# Don't Get In The Bed Dirty

Edie Brickell & New Bohemians

Soft hands, hair flips  
Laughing eyes, licking lips  
White teeth, big hips  
Grabby thighs, cleavage  
Strong arms, sweet smile  
Hungry eyes, nice profile  
Quick wit slow learner  
Fast and young back burner

Don't get in the bed dirty  
If you love the one you love  
Don't get in the bed dirty  
If you love the one you love

Wiggling bait on a line  
Reel 'em in for a good time  
Give a number  
Fill a mind with fantasy  
On the phone so alone  
You can do whatever you want  
Intellectually sexually bored  
Text 'em, they're virtually yours

Don't get in the bed dirty  
If you love the one you love  
Don't get in the bed dirty  
If you love the one you love

Falling in love, falling in love  
Falling in love with a reflection

Don't get in the bed dirty  
If you love the one you love  
Don't get in the bed dirty  
If you love the one you love

There's never enough  
You gotta feed 'em the most  
More love, more love  
The hungry ghosts

Don't get in the bed dirty  
If you love the one you love  
Don't get in the bed dirty  
If you love the one you love
