

Friend Of Mine

Edie Brickell & New Bohemians

You've been a friend of mine
For such a long, long time
Made me laugh and seen me cry
Called me to say hi

The world is such a crazy place
Full of joy and pain
What would I do without you
Here to keep me sane

I've seen revolving doors
I've been a stepping stone
I don't know what I did wrong
Why they left me alone

When everybody lets me down
You lift me up again
What would I do without you
My old faithful friend

You've been a friend of mine
For such a long, long time
Made me laugh and seen me cry
Called me to say hi

What would I do without you
