

# I Have You

Edie Brickell & New Bohemians

Diamond rings, shiny things  
Silver and china  
Mansions on the hill  
Heaven knows there are those  
Who for the finer things would beg, borrow, or steal

I have you, I have you  
Yes, I do, I have you  
What more could I ask for  
I have you, I have you  
Yes, I do, I have you  
I couldn't ask for more

Lots of folks boast and start to bragging  
About what they possess  
I don't have ponies or painted wagons  
Or money in my mattress

I have you, I have you  
Yes, I do, I have you  
What more could I ask for  
I have you, I have you  
Yes, I do, I have you  
I couldn't ask for more

I have you, I have you  
Yes, I do, I have you  
What more could I ask for  
I have you, I have you  
Yes, I do, I have you  
I couldn't ask for more
