

Not Saying Goodbye

Edie Brickell & New Bohemians

Give me something to remember you honey.
Hold me close no I don't want your money.
Leave a sign along the midnight highway.
Shine a light to see that I might find my way.
I'm not saying goodbye.
I'm not saying goodbye.
Oh what you could do to me with just a smile.
Make me happy like a little child.
A rush of love with a flood desire.
Give me everything I require.
I'm not saying goodbye.
I'm not saying goodbye.
I'm not saying goodbye.
I'm not saying goodbye.
Baby don't cry-some things never die.
Rest assuredly and know that I love you.
And I'm sorry for the hell I put you through.
The sun is going down but it will rise again.
And when I think of you it will be as my friend.
I'm not saying goodbye.
I'm not saying goodbye.
I'm not saying goodbye
