

# Nothing

Edie Brickell & New Bohemians

Are you in a bad mood?  
Don't you wanna talk about it?  
Did I say somethin' rude?  
You don't have to cry about it.

Aren't you feelin' okay?  
Would you like a little company?  
Or did you have a bad day?  
Are you mad at me? -let is show  
Don't tell me nothing - I don't wanna know.

There's nothing I hate more then nothing.  
Nothing keeps me up all night.  
I toss and turn over nothing.  
Nothing could cause a great big fight.

Hey - What's the matter?  
Don't tell me nothing.
