

What Makes You Happy

Edie Brickell & New Bohemians

Shake yourself free from the ties that bind
Get yourself clean, have a real good time
Break on out of that prison cell
Wake on up out of that hypno spell

What makes you happy, uh-huh (yeah)
What makes you happy, uh-huh (yeah)
Do it, do it, do it, do it, do it, do it
What makes you happy

Kick it to the curb if it doesn't serve you
If it only hurts you, it don't deserve you
Give it to yourself every night and day
If you get lost, we will find a way
Find

What makes you happy, uh-huh (yeah)
What makes you happy, uh-huh (yeah)
Do it, do it, do it, do it, do it, do it
What makes you happy

We have a dream
Everything will come together
Wait, wait, wait, wait
I can't wait anymore
Say what it is
What you want to feel better
Find, find, find, find
What it is will you find
What makes you happy

Sittin' 'round, sittin' 'round, stick in the mud
Sittin' on the sofa like an old milk jug
Five four three two one blast off
Shoot up like a rocket to the life we love

We have a dream
Everything will come together
Wait, wait, wait, wait
I can't wait anymore
Say what it is
What you want to feel better
Find, find, find, find
What it is will you find
What makes you happy

Uh-huh
Uh-huh
Uh-huh
Uh-huh
Uh-huh

What makes you happy
