

# Smokers Outside the Hospital Doors

Editors

Pull the blindfold down  
So your eyes can't see  
Now run as fast as you can  
Through this field of trees

Say goodbye to everyone you have ever known  
You are not gonna see them ever again  
I can't shake this feeling I've got  
My dirty hands  
Have I been in the wars?  
The saddest thing that I'd ever seen  
Were smokers outside the hospital doors

Someone turn me around  
Can I start this again?

How can we wear our smiles  
With our mouths wired shut  
'Cause you stopped us from singing

I can't shake this feeling I've got  
My dirty hands  
Have I been in the wars?  
The saddest thing that I'd ever seen  
Were smokers outside the hospital doors

Someone turn me around  
Can I start this again?  
Now someone turn us around  
Can we start this again?

We've all been changed from what we were  
Our broken hearts left smashed on the floor  
I can't believe you if I can't hear you  
I can't believe you if I can't hear you

We've all been changed from what we were  
Our broken hearts smashed on the floor  
We've all been changed from what we were  
Our broken hearts smashed on the floor

Someone turn me around  
Can I start this again?  
Now someone turn us around  
Can we start this again?
