

Nigga dumb if he think that I'm bluffin'
Like Ricky, he runnin', that boy tryna act tough
I see TG, I'm catchin' that PD
Got chop, hit his figi, made that nigga back up
Lil' thottie wanna link, she can't see me
She fuck with the opps, then that hoe gettin' packed up
And I ball like a Maverick
Too official, I'm dumpin' in traffic
In the streets, I be causin' a havoc
Like, no, I don't play for the Lackers
Like, I'm a gangster, takin' the risk
SevSideK, all that shit to my dick
Catch a 2Woo, I'm bendin' the Nick
Matt Sav and Dummy, this shit got a kick (Dummy)
Let's take a trip to the Rey
They ain't outside? Take a trip to the 8

Like, shh, got shot in his face
We stopped sayin' names and that's on the gang
Fuck the opps, niggas know what I'm on
Everything K, but you don't perform
Ayo, Benzo, we gon' spin through that block and let 'bout ten go
Spinnin' the view, I flock two pistols
Yeah, I'ma hang out the window
He dead, he dead heat
Free Banga, that's bro, that's lefty
On that block it was hot, totin' Becky
She wanna fuck, but I told her to neck me
She sexy, good body
In the field, I can't go out like Lotti
Lil' opp thot, she tryna line me
But I keep a stick, like I'm playin' hockey
Like, I'm a geek on the beat, go dumb (Damn)
Like, I'm a geek on the beat, go dumb (Yeah)
Like, I'm a geek on the beat, go dumb
Why the opp niggas chattin' and run?
Like, the city, I run that shit
Brand new choppa, got 30 in it
Like, I do what I want, this my shit
I call up bro, he down for the hit

Nigga dumb if he think that I'm bluffin'
Like Ricky, he runnin', that boy tryna act tough
I see TG, I'm catchin' that PD
Got chop, hit his figi, made that nigga back up
