

No One Else

Edward Barber

It's just you and me right now
I can't seem to say the words somehow
Looking at you feels so right
Falling for you I just might
But I'm still waiting for the right time 'cause

There's no one else in the world
I would rather spend my time with
There's no one else in the world
Who could make me smile

There's no one else in the world
I would love to sing this song to
There's no one else in my heart but you
There's no one else but you

Oh my, my
Oh my, my

I can't help control what I'm feeling
Will this be just as what I've been dreaming?
As I look into your eyes
I'm hoping you won't be surprised
But I'm still waiting for the right time 'cause

There's no one else in the world
I would rather spend my time with
There's no one else in the world
Who could make me smile

There's no one else in the world
I would love to sing this song to
There's no one else in my heart but you
There's no one else but you

Oh my, my
Oh my, my
