

All I Need

Edward Maya

Oh, if only the signs were clear to me
You're all I ever need
Oh, in my mind, you're all I see
All I need
You're all I need

You're all I need
You're all I need
We're tied
We're tied
You're all I need
You're all I need

Something don't feel right
When you're not by my side
Oh, if only the signs were clear to me
You're all I ever need
Oh, in my mind, you're all I see
All I need
You're all I need

You're all I need
You're all I need
We're tied
We're tied
You're all I need
You're all I need
