

Diamonds

Edward Maya

Solitary souls just stay afraid of they want
Diamonds in the ruff that have the shape of idle hearts
I wish I'd knew knew knew
Knew how to love you
I wish I'd knew knew knew
Knew how to love you
Me sansaare
Me sansaare

I wish I'd knew knew knew
Knew how to love you
Me sansaare
Knew knew knew
Knew how to love you

I wanna get to you
Wanna get beside you baby
Wanna get to you
Why don't you just call me back
Maa himinsare ai mese duras wune
Meh kathandare

I wish I'd knew knew knew
Knew how to love you
I wish I'd knew knew knew
Knew how to love you
Me sansaare

I wish I'd knew knew knew
Knew how to love you
Me sansaare
Knew knew knew
Knew how to love you
