

If You Need Me

Edward Maya

On and on and on and on my heart
On and on and on, I gave my heart

If you love me
If you love me

On and on and on, I gave my heart
Our love is
On and on and on, I bring my heart

If you love me
If you need me
On and on and on, I'd be your friend

On and on and on and on my heart
On and on and on, I gave my heart

If you love me
If you love me

If you love me
If you need me
I'll be by your side
If you love me
If you need me
I'll be by your side
