

Zilevo

Edward Maya

Boy, I get it
It's hard to fall asleep
When your jealousy takes control
Kind of selfish
To want me for yourself
You go crazy when I'm out alone

Zilevo, zilevo
You see me walking out in my stilettos, stiletto
And boy, it drives you crazy 'cause you don't know, zilevo
If you'll ever see me coming back

Not my problem
You're feeling insecure
Every time I'm walking out that door
It's not over
I want to make it work
But you gotta learn to trust me more

Zilevo, zilevo
You see me walking out in my stilettos, stiletto
And boy, it drives you crazy 'cause you don't know, zilevo
If you'll ever see me coming back
Coming back

Zilevo, zilevo
You see me walking out in my stilettos, stiletto
And boy, it drives you crazy 'cause you don't know, zilevo
If you'll ever see me coming back

Ooh
You see me walking out in my stilettos
And boy, it drives you crazy 'cause you don't know
If you'll ever see me coming back
Coming back

Zilevo, zilevo
You see me walking out in my stilettos, stiletto
And boy, it drives you crazy 'cause you don't know, zilevo
If you'll ever see me coming back
