

## Fire Water

Edward Sharpe and the Magnetic Zeros

You in the light of God  
You know love sees us  
I am sending you all of my love  
Oh won't you feel it  
Love goes ahead, love goes behind us  
Love is within, and love will guide us  
And I'd sure like it if you shine your light  
And let your love rain like water

River of love, lord God are turning  
Fire and Water, I am still learning  
Some say the river wont flow, the river gonna go run dry now  
But I know The Rivers Gonna flow, never really go run dry now  
We all been ridin in a river of love  
"The river won't go dry lord!"

I know yeah we are still learning  
Oh to we're light, we're all returning  
My love the god is a reflection  
We're two, we're one  
We are each other  
Thank God we're home  
Thank God your Home  
We'll free your heart, yeah free your heart  
Oh what makes us see you father down the river  
To a place we've not yet not yet gone  
And I sure like it, if you shine your light.
