

## Milton

### Edward Sharpe and the Magnetic Zeros

Oh Milton  
Why you always such a bad boy?  
We could be skiing with the llamas  
Llamas  
Milton

Oh Milton  
How could you do this to your grandma?  
Yes dear I want you to get better  
Telling jokes and wearing sweaters

Material Milton is at it again  
He can't be bad  
He loves himself  
He don't get mad

You can't be bad if you're good to yourself  
You can't be bad  
Just love yourself  
Danger is good for your health

You can't be bad if you're good to yourself  
You can't be bad  
Just love yourself
