

Uncomfortable

Edward Sharpe and the Magnetic Zeros

What y'all call freedom I can't call no,
What y'all call freedom just a word yeah,
What y'all call freedom looked like guns to me,
Your guns look like fear to me.

Uncomfortable you got to get uncomfortable [x2]

What y'all call justice I can't call no,
If I can't breathe I can't call no.
What y'all call terror I do call but...
Too many people know I must call us...

Uncomfortable you got to get uncomfortable [x2]
Uncomfortable you got to get uncomfortable [x2]

What y'all call Christians I can't call no,
Christ knows I can't call no,
What y'all call look like slaves to me,
too much truth on my mind yeah

Uncomfortable you got to get uncomfortable [x2]
Uncomfortable you got to get uncomfortable [x2]

What y'all call beauty I can't call no
What y'all call beauty just a show yeah
What y'all call ugly I call real yeah
What y'all call ugly I call real yeah
And real I can trust, trust I call beauty yeah,
Rust I call beauty yeah...

Uncomfortable you got to get uncomfortable [x2]
Uncomfortable you got to get uncomfortable [x2]
Uncomfortable you got to get uncomfortable [x2]
