

## Denim Darlin'

Edwin Raphael

And you're feeling like  
You're not yourself  
You're losing all your colours  
All your lives

Say it's denim darlin'  
Say whatever's on your mind  
Cause if all things had eyes  
Are we losing any light

And you're feeling like  
You're out of sight  
And you're out of  
My mind
