

Purple Inside

Edwin Raphael

And when these phases stall
I see you call out to me
I'll be evolved to solve
Everything inside of me

When you wore
When you wore
Purple
When you wore
When you wore
Purple
When you wore
When you wore
Purple inside
It's criminal

Stationed at stars
It's likely tie dyed
Made for stories
Loop it for me loop it for me
And stay
I've lost my control of things
Oh, cause every time
It all changes, it changes
