

She Might Like Summer

Edwin Raphael

And sister
Where are you going
With that mister, oh yea
On your hips and toes?

And no one knows, yes
You've been crying
You've been trying and crying, yeah, oh yeah
Mhmm-hmmm, oh yeah, oh yeah

And all the silly things you say are keeping me
Keeping me sane, oh baby, sane, yes
It's like you keep forgetting, that I'm
I'm not yours to save, oh baby, save, yes
And all the silly things you say are keeping me
Keeping me sane, oh baby, sane, yes
It's like you keep forgetting, that I'm
I'm not yours to save, oh darling, save, yes

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh

So, sister
Don't you mind?
With that mister, yeah
Is it a one time find?

And no one knows, yes
You've been crying
You've been trying and crying
Oh yeah-yeah, mhmm-hmmm, oh yeah, oh yeah

And all the silly things you say are keeping me
Keeping me sane, oh baby, sane, yes
It's like you keep forgetting, that I'm
I'm not yours to save, oh baby, save, yes
And all the silly things you say are keeping me
Keeping me sane, oh baby, sane, yes
It's like you keep forgetting, that I'm
I'm not yours to save, oh darling, save, yes

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh-ooh

Could be blue, could be you, I don't mind
But I love you, but I love you, too much
