Easin' In

Edwin Starr

Easin' in, slick as he can He's easin' in, easin' in

Easin' in, slick as he can He's easin' in, easin' in

There's a man comin' into town He don't wanna know that he'll be around So he's easin' in

Easin' in, easin' in

Like a cat that's stalking it prey He don't wanna let it get away

Easin' in, easin' in

Easin' in, slick as he can He's easin' in, easin' in

He's easin' in the city He's dangerous sly and shifty If he should happen to write your name down Don't you try to fly outta town!

Ya see, he's slick And he can't be tricked He ain't never made a mark He could not hit, ow!

Easin' in, slick as he can He's easin' in, easin' in

Easin' in, slick as he can He's easin' in, easin' in

Easin' in, ooh he's easin' in

Easin' in, slick as he can He's easin' in, easin' in

Easin' in, slick as he can He's easin' in, easin' in

Easin' in, slick as he can He's easin' in, easin' in
