

I Am Your Man

Edwin Starr

Rely on me to supply your needs from now on
Shelter you and be a pillow to lean on
For in your eyes I see what I was born to be

And now, now my life, my life can begin
For I, I am your man (I am your man)
I'm your man, I'm your man
I'm your man

Listen darlin', there's no sacrifice great or small I wouldn't
do
My ambition is, girl, girl, bringin' happiness to you (You don'
t need to worry)
And if trouble comes our way
I won't run, I promise to stay

Right by your side, 'cause that's where I'm gonna stay
Oh, I, I am your man (I am your man)
Yes, I am, little darling
I'm your man

My childish days are through
I wanna be someone you can look up to
Someone who can protect
Oh, someone who you can respect

I'm just trying to make myself (Just trying to make myself) wor
thy (Worthy)
Of the precious, precious love (Your precious love) I know you'
ve been givin' me
I want nothin' more for myself
For your love is my greatest wealth

And when you take my hand
You, you can proudly say, "Look-
a here", that "this is my man" (I am your man)
Yes, I am, baby
I'm your man

Ooh (I am your man)
From this day on, baby
