

Mighty Good Lovin'

Edwin Starr

(Mighty G double-O D lovin')
Mighty, mighty, good, good, lovin' (Woo!)

My mighty good loving baby
Gonna change the way you act
It's gonna make you mine in a real short time, girl
That's a natural fact

When I take you by the hand (Hold on tight, baby)
I'm gonna win your heart (Stealing your heart, baby)
Oh, I'm gonna get you, you, there's nothing you can do
When my mighty good loving gets a hold on you, now (Mighty, mighty, good, good, lovin')

Mighty G double-O D lovin'
Mighty G double-O D lovin'
Mighty, mighty, good, good, lovin'
Out of sight, now
Mighty, mighty, good, good, lovin'
It's alright, now
Falling in love is what you're gonna do
When my mighty good loving gets a hold on you, now (Mighty, mighty, good, good, lovin')

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
(Yeah, yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah, yeah)

It's a mighty good feeling baby
When you have a love that's true
When you know your man is standing by your side
He's gonna make your every dream come true

Oh, when I take you by the hand (Oh, don't tell me, baby)
I'm gonna win your heart (Steal your heart, baby)
I'm gonna get you, you, there's nothing you can do
When my mighty good loving gets a hold on you, now (Mighty, mighty, good, good, lovin')

Mighty G double-O D lovin'
Mighty G double-O D lovin', yeah
Mighty, mighty, good, good, lovin'
It's alright, now
Mighty, mighty, good, good, lovin'
Out of sight, now
Falling in love is what you're gonna do
When my mighty good loving gets a hold on you, now (Mighty, mighty, good, good, lovin')

Mighty good lovin'
Mighty, yeah yeah, good lovin'
Mighty good lovin'
Mighty good lovin'

M-I-G-H-TY good, you'll have love the way you should
M-I-G-H-TY fine, you'll have good lovin' all the time
Watch out, 'cause here I come, now (Mighty G double-O D love)

Watch out, 'cause here I come with a (Mighty G double-O D love)

Mighty good lovin'

Mighty good lovin'

Mighty, yes I am, good lovin'

Watch out, baby (Mighty good lovin')

With my mighty good lovin', honey (Mighty good lovin')

A-here I...
