

# Oh How Happy

Edwin Starr

Oh, how happy  
You have made me  
Oh, how happy  
You have made me

I have kissed your lips a thousand times  
And more times than I can count I have called you mine  
You have stood by me in my darkest hour, and

Oh, how happy  
You have made me  
Oh, how happy  
You have made me

Oh, how happy  
You have made me  
Oh, how happy  
You have made me

Now through our years together  
We have had stormy weather  
But our love has been so strong  
That somehow we've carried on

And oh, how happy  
(You have made me)  
Oh, how happy  
You have made me

Listen, you brought joy to my delight  
And all that was wrong, you have made it right  
And I love you, I love, I love, love

Oh, how happy  
You have made me  
(Oh yeah)  
Oh, how happy  
(Yes, you did, yeah, alright)  
You have made me

Oh, how happy  
(You have made me)  
Oh, how happy  
(You have made me)

Oh, how happy  
You have made me  
(You have made me)  
You have made me  
(You have made me)

You have made me  
(You made me happy)  
You have made me  
(Yes, you did)

You have made me

(Oh, so happy, babe)  
You have made me  
(Yes, you did)  
You have made me
