

Amazing

Edwin

You been talking way to fast
Don't want a snake in the grass
I don't care about what you say
Doing great just where I'm at
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
Fire molly free for me
I just want to let it be
I would rather be alone
'Cause you know I'm made of stone
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
Shake it uh huh
Shake it uh huh
Sorry if you're still dismayed
Too bad for you cause its to late
I guess this relates to what they say
It all comes back to you in the end
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
I feel amazing
