

This Sunday, it's a good good feeling
This Sunday, it's a good good feeling
And I'm lazy and contented
I'm feeling lazy and contented

I'm so happy to be alive
I'm so happy to be alive
That's why I'm living my own youth
That's why I'm living my own truth

And I feel alive
And I feel reborn
And I feel alive
And I feel reborn

This Monday, it's a good good feeling
Forsooth, I'll be alright
What's the point of being ungrateful?
In my life I'll be alright

I'm so lucky to be alive
I'm so lucky to be alive
That's why I'm living my own youth
That's why I'm living my own truth

And I feel alive
And I feel reborn
And I feel alive
And I feel reborn

That's why I'm living my own youth
That's why I'm living my own truth

And I feel alive
And I feel reborn
And I feel alive
And I feel reborn
