

# Glasgow to London

Edwyn Collins

Long ago back in Glasgow  
Ambition drove my life  
Now I note I must admit  
I couldn't give a fuck

I'm on that train  
Glasgow to London  
I'm on that train  
Glasgow to London

It's in the past

On the streets the couple blames  
The fruit play fetch, the market stalls  
In the 80s, wild and free  
Herring round the town

I'm on that train  
Glasgow to London  
I'm on that train  
Glasgow to London

It's in the past

Back to reality  
Back to the grind  
Look at the state of me  
But I don't mind  
I don't mind

I'm on that train  
Glasgow to London  
I'm on that train  
Glasgow to London  
I'm on that train  
Glasgow to London  
I'm on that train  
Glasgow to London

It's in the past  
It's in the past  
It's in the past  
It's in the past  
It's in the past  
It's in the past  
It's in the past  
It's in the past
