It Dawns on Me

Edwyn Collins

Let me find out who l am
Let me live and let me dream
Near the shoreline, near the sea
Coast to coast, that's where I'll be

A simple life, a simple choice
That dawns on me, reality
A simple life, a simple choice
That makes the world a better place
For us to share

Let me find out who l am
Let me live, just let me be
I'm gonna steer this love
And crash into the bitter end
Just let me get away with it
More or less it's all worked out

A simple life, a simple choice
That dawns on me, reality
A simple life, a simple choice
That makes the world a better place
For us to share
