

# The Heart Is A Foolish Little Thing

Edwyn Collins

I was in love  
An image of a girl I once knew  
I wanted everything  
The foolish little things, a prophecy come true  
I carried fear, awash with doubt and pain  
I'm overwhelmed, the blackness comes again

The heart is a scary little thing  
The heart is a scary little thing  
The heart is a scary little thing  
The heart is a foolish little thing

So this is what is  
Not what it was meant to be  
Adjustments to be made  
I'm falling back in love again

The heart is a scary little thing  
The heart is a scary little thing  
The heart is a scary little thing  
The heart is a foolish little thing

The heart is a scary little thing  
The heart is a scary little thing  
The heart is a scary little thing  
The heart is a foolish little thing

The heart is a scary little thing  
The heart is a scary little thing  
The heart is a scary little thing  
The heart is a foolish little thing
