

Then I Cried

Edwyn Collins

I fell down and banged my head
Fell down and banged my head
Then I cried
Then I cried

I'm dazed and confused
I got them old worried blues
But your game plan takes two
You win and I lose
Many times I've started something
Never meaning to go on
But this time I will finish
With a song
With a song

I fell in love and broke my heart
Fell in love and broke my heart
Then I cried
Then I cried

I took to my bed
Took two pills for my head
But they didn't quell the pain
It's my heart once again
So many times I started something
Never meaning to go-wrong
But this time I will finish
With a song
With a song

I fell in love and broke my heart
Fell in love and broke my heart
Then I cried
Then I cried
Then I cried
Like a baby through the night
