

Understated

Edwyn Collins

In the building that I worked
Many people I know
A graphic artist I was
It's an interest I've got

Understated, I am
I was only nineteen
Understated, I am
I was only a boy

Now the years go by
And I'm feeling my age
As the story unfolds
I'm a singer of sorts

Understated, I am
I was only nineteen
Understated, I am
I was only a boy

Understated, I am
I was only nineteen
Understated, I am
I was only a boy

Understated, I am
I was only nineteen
Understated, I am
I was only a boy
