

# Loving You

Edyta Górniak

More than once  
I've tried to walk away  
From your love  
From your love

But only you  
Can make me stay  
When in my head my heart is saying  
Runaway just like you always do...

But...  
I CAN'T HELP MYSELF FROM  
LOVING YOU  
I CAN'T HELP MYSELF FROM  
LOVING YOU

Now and then  
I feel insecure  
From this love  
From this love

But somehow you  
Know the words to say  
When hope is gone I hold you near  
And give into my deepest fears.  
For I don't have no choice ...

But...  
I CAN'T HELP MYSELF FROM  
LOVING YOU  
I CAN'T HELP MYSELF FROM  
LOVING YOU

My hands are tired by love  
I can't get enough...
