

Soul Boy

Edyta Górniak

Won't you be my soul boy,
Won't you be my soul.
There's been no one like you,
Trusted and true.

I just wanna be loved by you.
Just wanna be loved by you,
Like a soul boy.

Won't you be my soul boy.
And take me as I am.
I had enough of bad dreams,
And one night stands, baby.

I just wanna be loved by you.
I want to be really loved by you,
Like a soul boy.

Take me as I am boy, hold me while you can.
There's not a woman in the world,
Lovin' you better than I do.
Take me as I am.
Be like a soul boy.

I don't wanna be with no one else
I don't wanna kiss no one else.
I want you to be my soul boy.

No more fighting and no more leaving.
It ain't exciting and I quit believing.
That you're my soul boy, soul boy, soul boy
