And You Run

Eels

My dear, I feel so torn up inside
There's something I really need
But when I tell you how I really feel
You just look at me
And you run

Some days I have to ask myself why
I wanna put myself through this
And other days, I answer myself
"'Cause I don't have any choice"
And I run
And I run

Well, I was thinking, just the other day
What could I do?
What more could I say?
Every time I tell the truth
You don't know what to say
And you run

I'll play it cool, I'll just disappear
I bet you're looking for me
But if I tell you what you wanna hear
You just look at me
And you run
And you run
And you run

Well, I was thinking, just the other day
What could I do?
What more could I say?
Every time I tell the truth
You don't know what to say
And you run
And you run
And you run
And you run

Ah, and you run
Ah, and you run
