

Anything for Boo

Eels

Anything for Boo
Oh, Boo, I do
I do, I do, I do, I do
Anything for Boo
My love is true
It's true, it's true, it's true, it's true

That's our gal playin' on the box
Tropicalia in the afternoon
Makin' love while the curtain's broke
Gal singin', "Baby, baby, baby, I love you"

Anything for Boo
Oh, Boo, I do
I do, I do, I do, I do
Anything for Boo
My love is true
It's true, it's true, it's true, it's true

Don't have to miss each other anymore
Here we are, with nothin' else to do
Abbey Road to Looks of Love are on repeat
Chasing 'bout, being dramatic and true

Independent of the rest
Yet, I am so dependent on you
Don't know if that's a good or bad thing
But not bein' with you is somethin' that I don't know how to do

Anything for Boo
Oh, Boo, I do
I do, I do, I do, I do
Anything for Boo
My love is true
It's true, it's true, it's true, it's true
